You would measure time the measureless and the immeasurable.

You would adjust your conduct and even direct the course of your spirit according to hours and seasons.

Of time you would make a stream upon whose bank you would sit and watch its flowing.

Yet the timeless in you is aware of life's timelessness,

And knows that yesterday is but today's memory and tomorrow is today's dream.

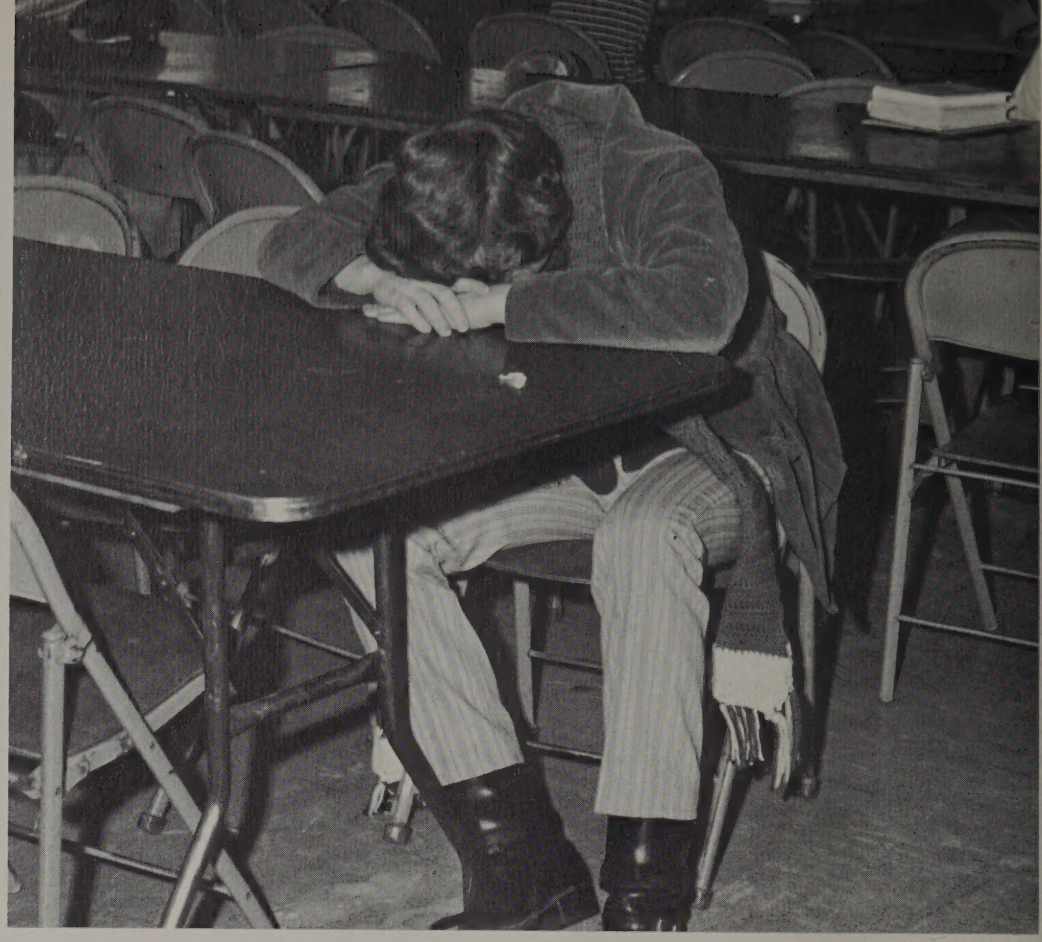
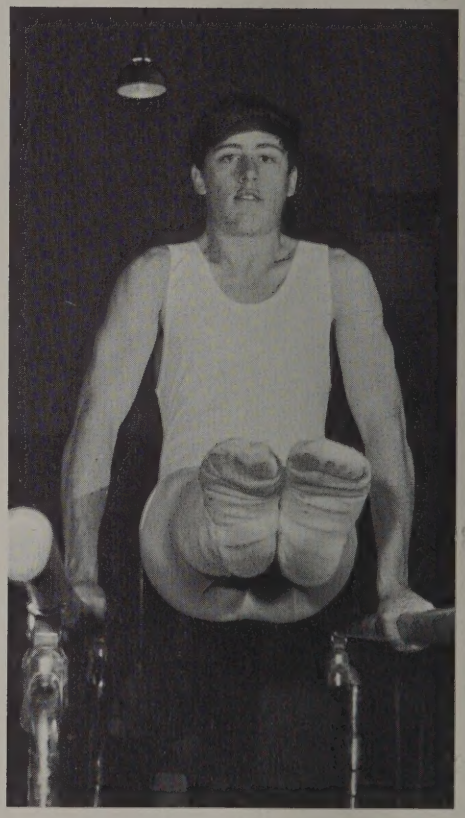
Boy, these lectures are getting better and better every day.

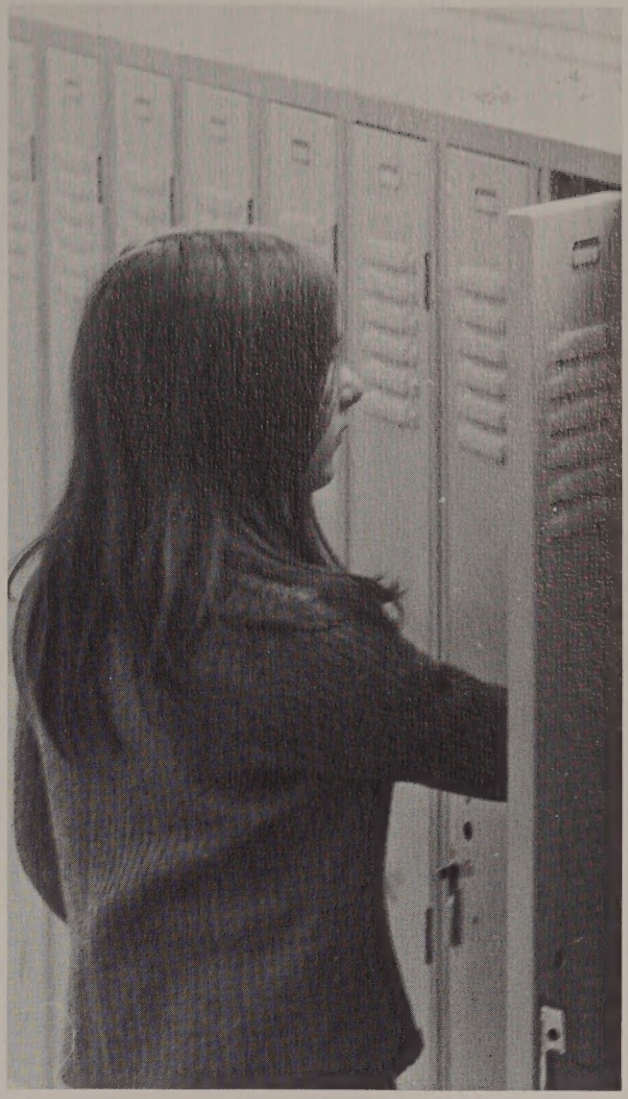


Those No-Doze really work!



I have to go to the bathroom!

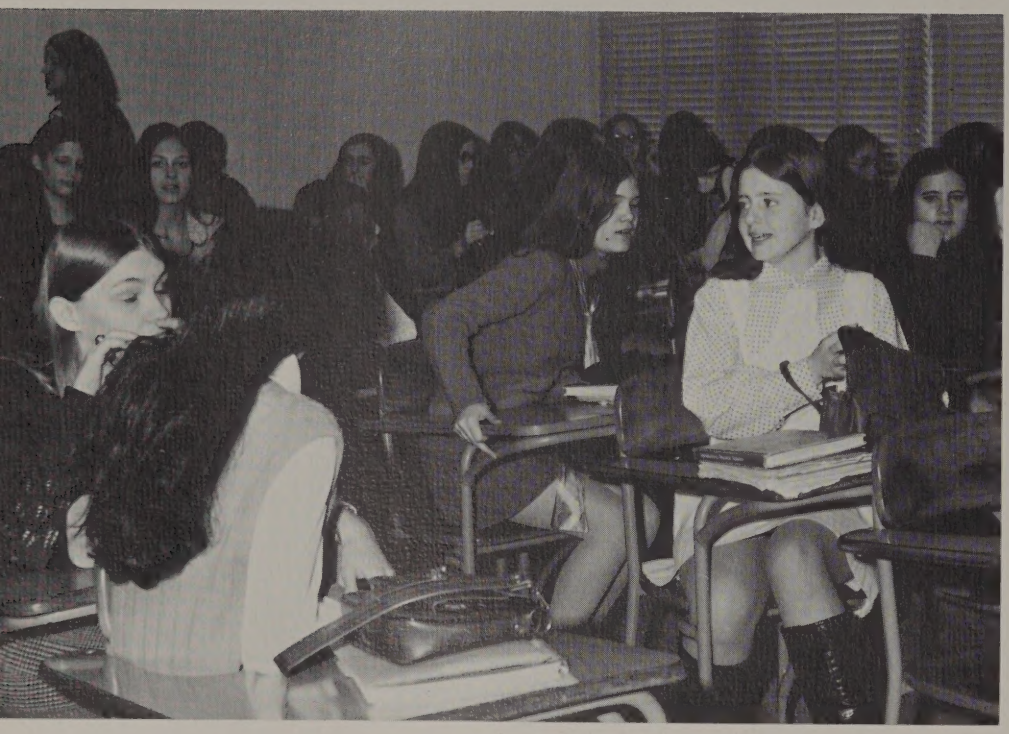
I wish I could get that fly off the end of my stick!

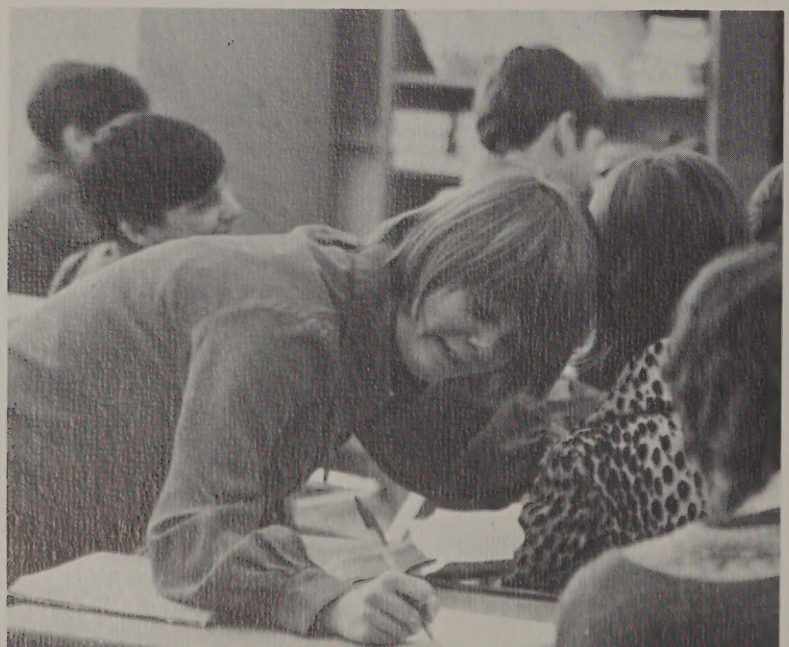


Mr. Bombard, will you please get out of my locker!

In baseball this is known as a seventh inning stretch.

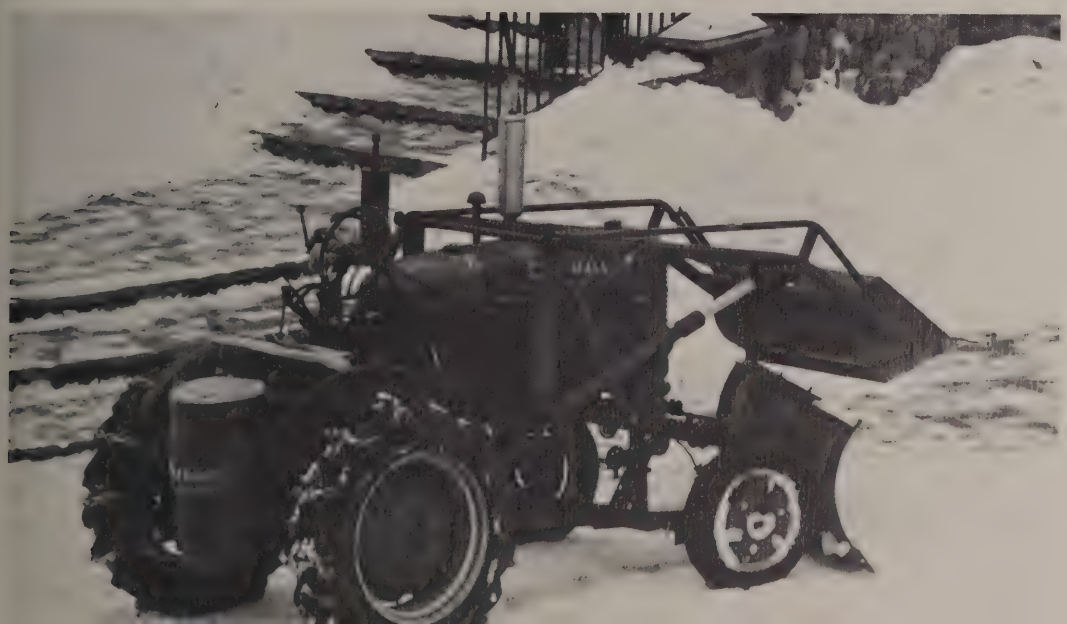
The velocity of a pass coming from a 6'4" quarterback is . . .



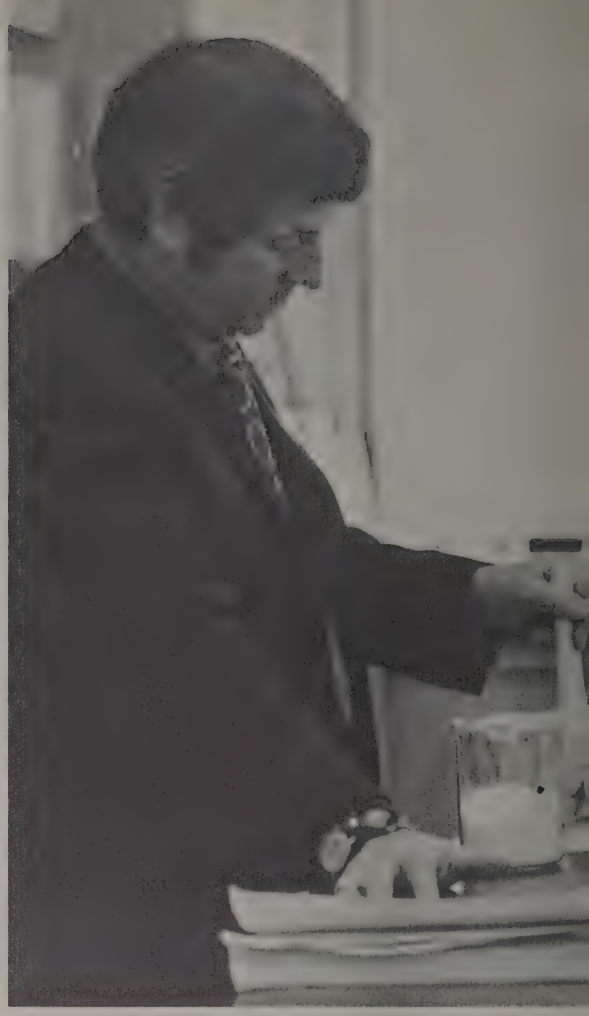


What do you mean you don't have enough tacks to build a house?

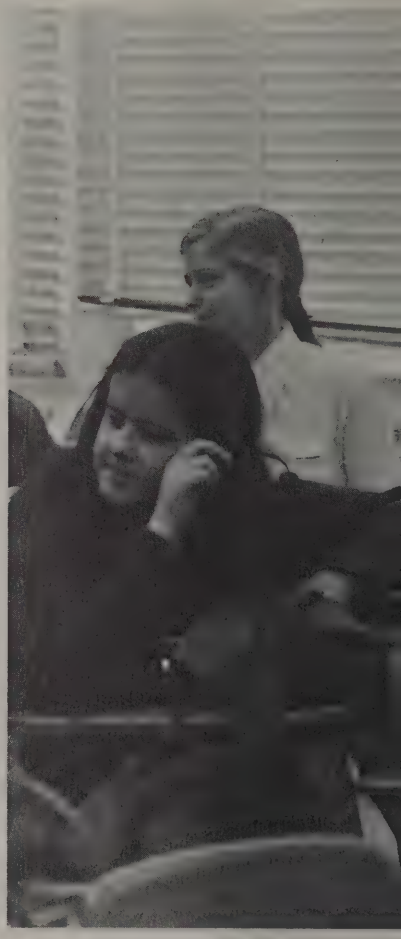
Dr. Bauer will hear about this.



Isn't it nice the way the hem came out so even?



This Bromo is really going to taste good today.



Now how fast were you going when the accident occurred?

They're going to give me a letter for bench.

Principal's Message

It is with deep affection that I address this brief message to you, the Class of 1971. I owe to you the satisfaction that I experience as I complete my first year as Principal of Tantasqua Regional High School. Because of your efforts, your involvement, your concern for each other and for the school as a whole, we have had a very fine year. I shall remember you as a class and as individuals with the sincerity that comes from a genuine rapport.

It is my hope that the new experiences that you will face as you leave Tantasqua will prove rewarding and personally enriching. May you bring to your future tasks the sense of responsibility and devotion to duty which we have tried to instill in you during your years of study.

To my first class, I once again express my friendship and ask for your continued loyalty to Tantasqua.

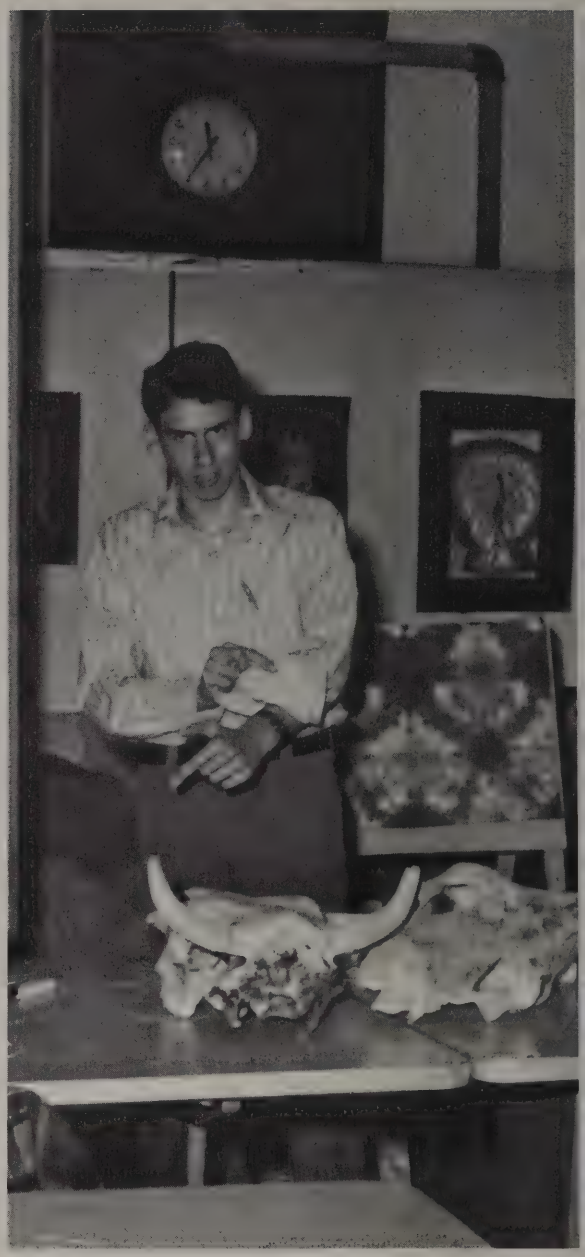
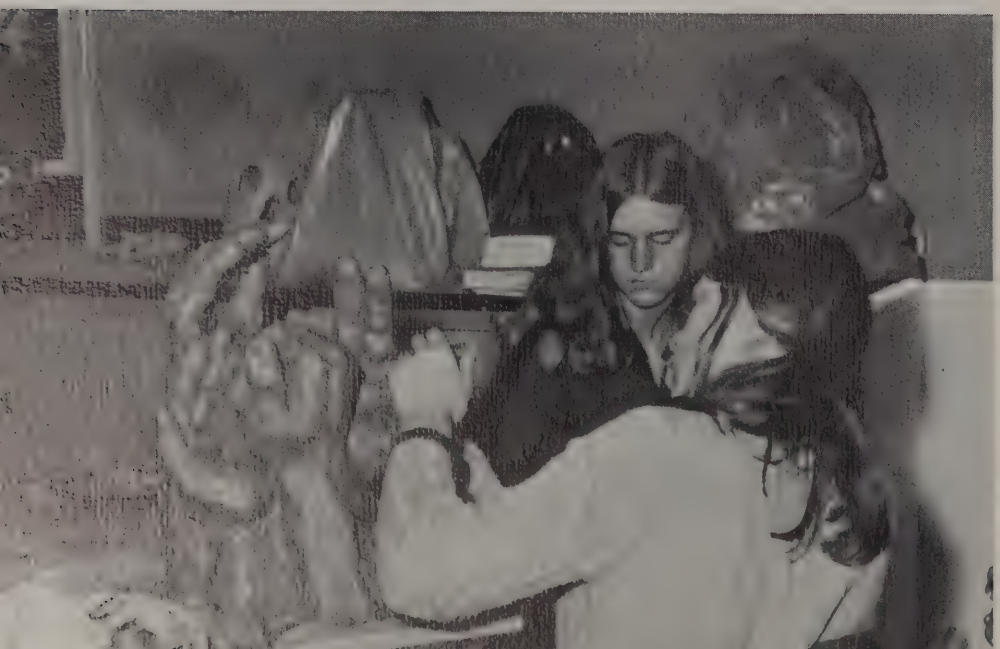
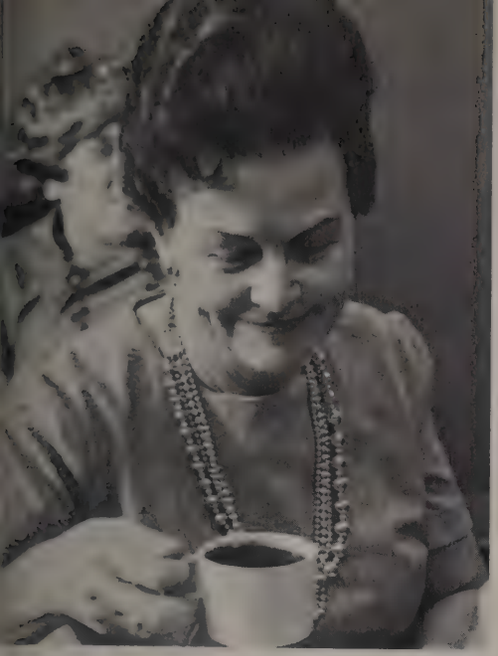
Boy, the Playboy's get better each month!

What do you mean somebody just drove off with the Driver Ed car?



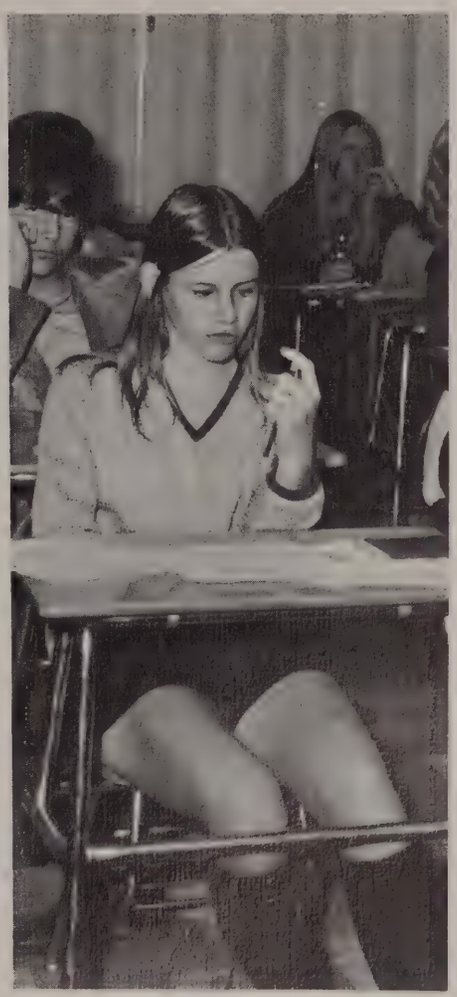




Lucille, you make a good cup of coffee.

Frank, that's the 43rd time today. Now get to the end of the line!

Let me get another piece of paper, and we can finish our game of tic-tac-toe.

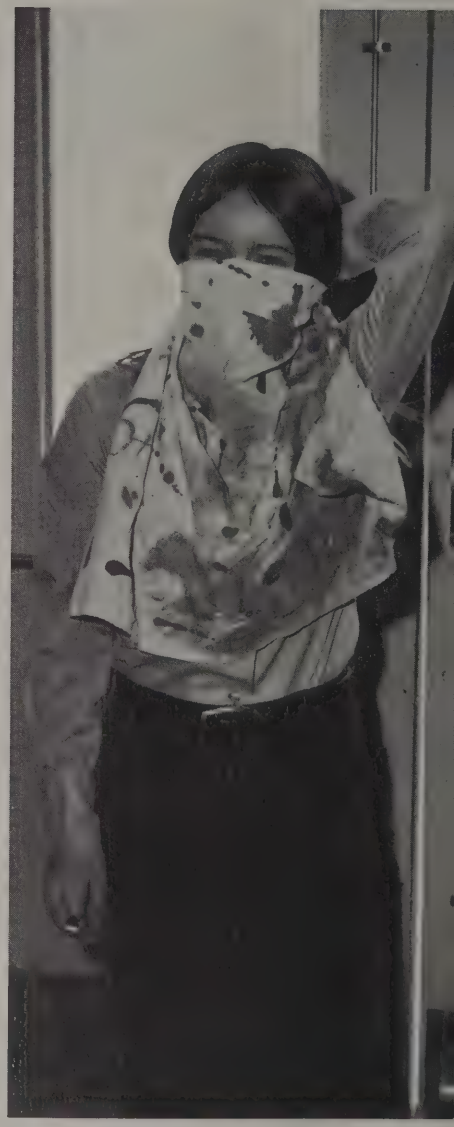


Did you hear the one about the traveling salesman?

Are you sure girls can't play on the soccer team?

What do you mean my wife just had another baby?

Wait till she sees what I wrote!



Maybe, with luck, when I open my eyes the school will be gone.

It is the wish of the Junior class that their section be dedicated to the memory of their classmate **Constance Gemme.**

But yet I treasure in my memory
Your gift of charity, and young
heart's ease,
And the dear honor of your amity.
For these once mine, my life is
rich with these.
And I scarcer know which part may
greater be —
What I keep of you, or you rob from
me.

I was the one who stopped myself from doing things so many times
I was the one who grounded myself and clipped my wings so I say
Do what you've never done before for fear of losing face
You have nothing to defend now in your state of grace
Love is the gift of man yet he will not receive
Within is the church of man yet he will not perceive
Without is the realm of man yet he cannot conceive

Through the windless wells of wonder
By the throbbing light machine
In the tealeaf trance or under
Orders from the king and queen

Songs to aging children come
Aging children, I am one

People hurry by so quickly
Don't they hear the melodies
In the chiming and the clicking
And the laughing harmonies

Songs to aging children come
Aging children, I am one

Some come dark and strange like dying
Crows and ravens whistling
Lines of weeping, Strings of crying
So much said in listening

Songs to aging children come
Aging children, I am one

Does the moon play only silver
When it strums the galaxy
Dying roses will they will their
Perfumed rhapsodies to me

Songs to aging children come
This is one

The Border Conference for 1970 was won by Bartlett High — Tantasqua finished third — four of our players were selected for the conference All Star Team and were presented trophies at the league banquet. They were: Captain Wayne "Topper" Wood, Bruce Willet, Roland McCurdy, and Steve Gallerani.

Other season highlights — In the North Brookfield game Brandon Plainte was pitching a perfect game, not allowing a single man to reach first base. In the final inning with 2 outs and 2 strikes on what might have been the last out of the game, the North Brookfield batter, Greg Powers, hit a home run to ruin the perfect game. Until that point Brandon had retired 20 consecutive batters. We won the game however.

At the end of the season captain "Topper" Wood turned over his duties to Steve Gallerani and Brandon Plainte who will head the team in 1971.

Led by captain Alan Sherman and a strong, youthful, bench, the tennis team became the first Tantasqua team to officially annex a Border Conference championship in any sport. Under the shadows of Holy Cross College, Tantasqua defeated Auburn High School in a special playoff for the crown by a 5-4 margin.

Youth was the name of the game as Bill Koslowski and John Hopkins, a pair of eighth graders, stroked seventeen match wins between them. Al Sherman, Bill Fairchild, Ron Johnson, John Ebersold, Ed Heske, and Cris Roy nailed down many impressive wins between them.

The team finished the season with an overall record of 6-6 which includes a 4-1 conference mark.

This brings the overall three-year record to 18-14-1. Things look very bright for 1971 with eighteen men returning including nine lettermen.

The football season began this year with a lot of question marks. With the loss of several outstanding players from last year's team, especially in the backfield, the coaching staff began to rebuild.

With a nucleus of veterans, Captain Paul Woodward, Quarterback Steve Gallerani and Ends Jackson and Ramsey, the team reported to practice at the beginning of September.

The upcoming schedule was certainly a challenging one and represented the typical caliber of football Tantasqua has become accustomed to playing. Beginning September 19th with Class B Champions Bartlett High School and going on to Class A powers Athol, Southbridge, and Thanksgiving rival Wachusett, the team had their work cut out for them.

Promising underclassmen were being given a long, hard look and equal opportunity by Coach Farland in this rebuilding year. During the preseason scrimmages with neighboring schools, the coaches had decided on their starting line-up and readied themselves for Bartlett: juniors Andy Lamontagne, John Jolin and Dave Beaudry, Steve Morin, and newcomer Mike Clark. Two new faces included Jim Martin and Kevin Stewart, along with Jim Coderre and Rich Kenderian.

The individual performances of seniors Woodward, Gallerani, Jackson and Ramsey were inspiring to their younger teammates and their deeds too numerous to recount.

With little depth on the team and little help from lady luck the team faced bitter frustration almost weekly. Some teams might have given up, some individuals might have found it easy to quit, but the Thanksgiving Day performance showed a team giving their all till the last gun. The future will hold many more victories for some Warrior teams but few will have given so much of themselves.

A most exciting season was turned in by the Warrior booters. Bartlett High won the conference championship and then lost out to Chicopee High in the Western Mass. Tourney. Chicopee eventually became the Western Mass, State and New England Champion.

The Warriors were led, this year, by captains Bob Rowe and Steve Jones and they assured Coach Emrich with four games to go they would win them all, and they did; thus giving us our best overall record in the 3 year history of our varsity soccer team. Craig Pease led our scorers with 8 goals and was followed closely by Tim May with 6 and Duane Adams with 5. Fritz Bergman and Jim Clancy punched through our remaining goals. Doug Warner, Ken Cote, John Ebersold, David Hicks, Bob and Henri Baillargeon, Dennis Keough and Bill Fairchild were our defensive workhorses.

Fritz Bergman and Ken Cote were elected to co-captain the team for 1971, and take over the job from two outstanding halfbacks Bob Rowe and Steve Jones who have both been on the squad for three years.

The Student Council is Tantasqua's most vital organization constituted of students who have leadership qualities. Four representatives are elected from amongst their classmates and each one of them must represent their class within the council. Through the efforts of the council many changes take place at the school. It is an intermediary body between the student body, the faculty and the administration. Every student at Tantasqua is considered a member of the council through their representatives who must make moves towards improving T.R.H.S.

Student Council Message

The Student Council is everything which the school stands for. Without this organization the school lacks leadership, unity, and standards. Our goal is to promote a unique relationship between the students, faculty, and administration. Each Council member must recognize his duty towards his school and the community.

Through the efforts of the Student Council many changes take place in the tradition of the school. This year, through the Council, a student lounge was formed. Money was donated to many deserving organizations. This year more pep rallies were held than in previous years. School spirit was aroused after the many years in which it had remained dormant. Students attended State & National Conventions, to learn techniques for solving problems within the school.

I feel it has been a great honor to have been elected President of the Council. Through my efforts I hope that the Council has become a better organization and that each year it continues to grow to be a stronger and more powerful and unified one.

I would personally like to thank the many students who have given me such a marvelous and memorable opportunity and also to thank all the S.C. members and students from outside the Council who worked so diligently for their school. They all deserve great merit. I would like to say farewell to the Council members and to extend my best wishes and luck to next years President. I hope that through this experience I will be led on to greater and higher goals in life.

Thank you very much,
Linda Perreault
President

The Council would like to extend its best wishes and luck to all the graduating students in the Class of 71.

"The tragedy of life is not that it ends so soon, but that we wait so long to begin it."

W. M. Lewis

The Road goes ever on and on,

Down from the door where it began.

Now far ahead the Road has gone,

And I must follow, if I can.

Pursuing it with weary feet

Until it joins some other way,

Where many paths and errands meet.

And wither then?

The Road goes ever on and on,

And wither then?

I cannot say.

J. R. R. Tolkien

The 1971 Tantasquan staff would like to thank all those who helped in the production of this year's yearbook. Special thanks go to Mr. Don Lendry from the American Yearbook Company for his guidance, Richard Terrill for his fine artwork, and very special thanks to Mr. Kenneth Blake for being a fantastic advisor. We wish next year's staff all the luck in the world.
